

# Supporting Hospices across the UK

Brewin  
Dolphin

## Meet our hospice specialists

At RBC Brewin Dolphin, our Charities Team is proud to support hospices across the UK with tailored investment advice and sector-specific insight. With charity specialists in each of our regional offices, we understand the unique challenges hospices face and are committed to helping you make the most of your reserves in a way that aligns with your mission and values. Over the years, we've helped hospices with their investments, facilitating major donor share gifts and advising on reserve strategies.

We are a long-standing partner of Hospice UK, regularly attending their annual conference, delivering trustee training and bringing together peers to share best practice – including through our 'Boosting Legacy Income' event. Many of our team members also volunteer locally, reinforcing our personal commitment to the sector and deepening our understanding of the pressures hospices face.

Our specialist, bespoke advice has never been more needed than now, as we help you navigate these challenging times, enabling you to focus on providing the best possible outcomes for your patients and their loved ones.

Below, you'll find our regional hospice specialists. Whether you're looking for investment guidance or simply want to connect, we'd be delighted to hear from you.
